David,

Let's reschedule for next week. I'm back in the country now and just now getting back to work. I'll coordinate with you later this week on a time.

**Subject:** San Jacinto TCRA Design Assessment

Valmichael and/or Gary – Given the budget situation, I was not sure if you are going to be available for our meeting to discuss the subject reassessment by EPA and USACE. The meeting is scheduled for next Tuesday at 1:00 CDT. Please let us know as you figure things out on your end.

Thanks,  
David
